## 4-6 November 2011

LE MERIDIEN HOTEL, LIMASSOL, CYPRUS

The ESE Clinical Update is the second in an annual programme of international residential events providing intensive reviews of the cutting edge of clinical endocrinology that will be of value to young and senior endocrinologists alike.

The event is designed not only to give a vigorous update on current clinical practice but also to encourage networking between delegates and the faculty.

To register your interest please email: [info@euro-endo.org](mailto:info@euro-endo.org)
